

Application for ASSP's Executive Program in Safety Management Certificate

Thank you for participating in the ASSP Executive Program in Safety Management Certificate program. Please complete this application to document the dates you completed the elements of this program. All elements must be completed within a two-year period.

Completion Requirements

To receive the Executive Program in Safety Management Certificate, you must complete two required courses (3.5 CEUs):

- 1) Advanced Safety Management Methods
- 2) Influential Leadership Skills

You must also earn another 1.4 CEUs via our electives:

- Scheduled ASSP courses at various locations
- Pre- or post-conference courses held during our annual conference
- On-site courses delivered by ASSP instructors at your company's facility
- ASSP on-demand webinars or virtual symposia

Note: The following do not satisfy the elective requirements for this program: 1) required courses for our other certificate programs; 2) our annual Professional Development Conference (PDC); 3) PDC session recordings; and 4) programs delivered by ASSP chapters or regions or other organizations.
