

## Application for ASSP's Managed Fall Protection Certificate

**Thank you for participating in the ASSP Managed Fall Protection Certificate program. Please complete this application to document the dates you completed the elements of this program. All elements must be completed within a two-year period.**

### Completion Requirements

To receive the Managed Fall Protection Certificate, you must complete one required course (**2.1 CEUs**):

- 1) Managed Fall Protection Course (3-day course) **or** Managed Fall Protection Online Course

You must also earn another **1.4 CEUs** via our electives:

- Scheduled ASSP courses at various locations
- Pre- or post-conference courses held during our annual conference
- On-site courses delivered by ASSP instructors at your company's facility
- ASSP on-demand webinars or virtual symposia

*Note: The following do not satisfy the elective requirements for this program: 1) required courses for our other certificate programs; 2) our annual Professional Development Conference (PDC); 3) PDC session recordings; and 4) programs delivered by ASSP chapters or regions or other organizations.*
