Group Pricing Available

Save 10% for groups of 5-9 and up to 20% for groups of 10 or more for any currently scheduled safety education courses or conference we host throughout the year.

Attending as a group is a great way to reinforce best practices, build teamwork and refocus the team.

Train Your Team

Save time and money by training 10 or more safety professionals at either your location or a private, virtual classroom.

Tell us what you need, and we will create a safety training program that gets results. After an initial consultation we will provide a tailored training program proposal.

ASSP Foundation Professional Education Grant Program

Professional education grants are available for individuals within the OHS field who need financial support for certification expenses, conference attendance, webinar attendance, workshop attendance, and similar professional development support.

Applications for ASSP Foundation professional education grants are accepted year-round, with awards made on a rolling basis, based on availability.
