# EDUCATION SERVICES

## ASSP Certificate Programs

Take a series of courses related to a key area and gain the expertise you need to advance your career.

We offer three certificate programs:

[Safety Management](#)

[Leadership in Safety Management](#)

[Global Safety Management](#)

Learn More

## Self-Paced Courses Online

Our self-paced online courses are catered to anyone who thrives learning independently and has access to a computer with audio and internet access.

Enroll in these courses at any time and receive immediate access to all course materials for up to 6 months and up to 1 year for Certification Preparation. Plus, assess your progress through instant feedback on quizzes and other interactive learning activities all at your own pace.

View Self-Paced Courses

## On-Demand Annual Pass

From quick one-hour sessions to more intensive courses, there is a plan that works for everyone. Get immediate access to a growing safety education library with new courses added throughout the year.

Make planning your professional development simple and worry-free with an always-on, always-available on-demand Annual Pass. Earn continuing education units (CEUs) and stay ahead of today's safety challenges.

Learn More

## Group Pricing Available

Save 10% for groups of 5-9 and up to 20% for groups of 10 or more for any currently scheduled safety education courses or conference we host throughout the year.

Attending as a group is a great way to reinforce best practices, build teamwork and refocus the team.

Contact for Group Pricing

## Train Your Team

Save time and money by training 10 or more safety professionals at either your location or a private, virtual classroom.

Tell us what you need, and we will create a safety training program that gets results. After an initial consultation we will provide a tailored training program proposal.

Request Proposal

## ASSP Foundation Professional Education Grant Program

Professional education grants are available for individuals within the OHS field who need financial support for certification expenses, conference attendance, webinar attendance, workshop attendance, and similar professional development support.

Applications for ASSP Foundation professional education grants are accepted year-round, with awards made on a rolling basis, based on availability.
