

AMERICAN SOCIETY OF
SAFETY PROFESSIONALS

PROFESSIONAL CERTIFICATE PROGRAM

www.assp.org/certificates

For more than 100 years the American Society of Safety Professionals (ASSP) has provided top-quality safety education and training that you can immediately put into practice. Our certificate programs provide a clear path to completion with a variety of virtual options, all while earning must-have CEUs.

Earn a Safety Management Certificate

The ASSP certificate programs are a specially curated series of courses designed to help you develop expertise as an occupational safety and health (OSH) professional. Whether you're just starting the journey or are well on the path of a successful career, our certificate programs are your guide to greater success. ASSP certificates include:

Safety Management Certificate

Build professional credibility in your role with foundational and fundamental knowledge to feel confident at your organization.

Required Courses

- Safety Management I
- Safety Management II
- Corporate Safety Management

Leadership in Safety Management Certificate

Secure your leadership position using contemporary safety methods and the power of influence.

Required Courses

- Advanced Safety Management Methods
- Influential Leadership Skills

Global Safety Management Certificate

Gain knowledge and skills to implement the most effective techniques in global safety and health management.

Required Courses

- Managing Safety and Health
- Implementing a Safety and Health Management System
- International Standards and Legal Requirements for Safety Management

Program Features:

- Easy online application process
- Easy-to-access virtual courses
- Clear path to completion within two years

Steps to Earn a Certificate:

1. Enroll in a **certificate program**
2. Complete the required courses within two years
3. ASSP will issue a certificate upon course completion

ASSP played a major role in the educational and professional foundation for me. ASSP course and conference opportunities loaded with valuable safety professional benchmarking content and important networking/mentoring opportunities have played an integral role in my personal safety inspiration and execution. It is my honor to be a member and my pleasure to be supported by such an excellent organization!

Adrian Damon, MS, CSP, SMS, OHST
