Risk Assessment Committee
Committee Member Position Description

Purpose: The Risk Assessment Committee supports the Risk Assessment Institute's vision that occupational safety and health professionals be recognized as an integral part of an organization’s risk management process.

Key Responsibilities
- Support development of programs and training that educate executives, the business community and OSH professionals on the role of OSH professionals in the risk management process, the value of the risk assessment approach and how to successfully assess OSH risk
- Help ASSP leverage the OSH community to develop new evidence-based risk-related policies, processes and solutions in the workplace and regulatory initiatives
- Provide a center of excellence for risk-related information and tools relevant to the OSH profession
- Participate in monthly conference calls
- Participate in subcommittees as needed

Support
- Orientation with Risk Assessment Committee chair and staff liaison

Benefits
- Hold leadership position in advancing the OSH profession
- Contribute to the growth and development of ASSP
- Earn professional certification maintenance points

Time Commitment
- Term of office: 2 years; maximum 2 terms; July 1 to June 30
- Average hours per month: 2 to 5 hours

Qualifications
- Professional member of ASSP in good standing
- Possess 5+ years’ demonstrated experience and expertise in advancing OSH risk assessment principles
