

AMERICAN SOCIETY OF SAFETY PROFESSIONALS

On-Demand Leadership Training Guide

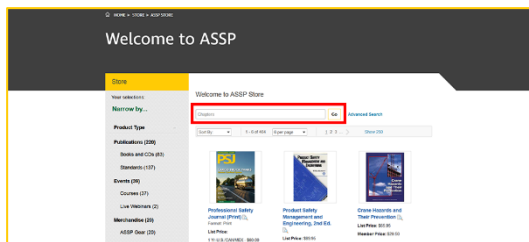

ASSP has required training for all key volunteer leadership positions and elected officers. We also provide on-demand trainings on various topics related to your work as an ASSP community leader and to help you progress through the year.

How to Register for and Access Leadership Trainings for Chapter, Practice Specialty and Common Interest Group Member Communities

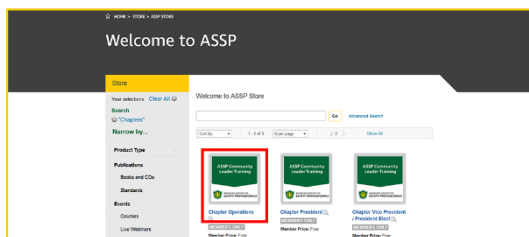

Log in to www.assp.org using Internet Explorer or Chrome browsers and follow the instructions below.

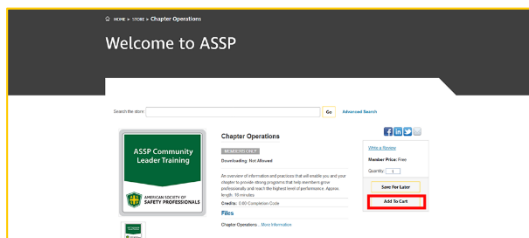

Go to “Shop”

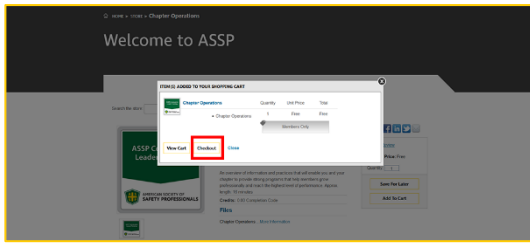

Search for the module you would like to register for

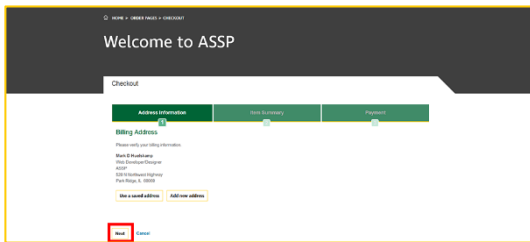

Click on your module

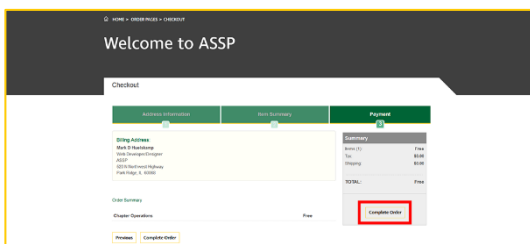

Click “Add to Cart”

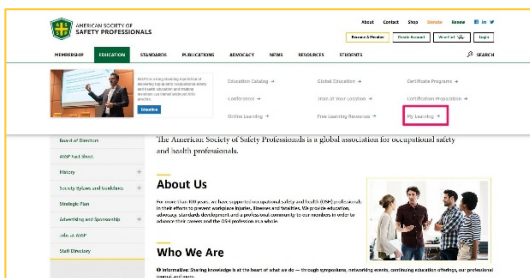

Close the pop-up window to register for more modules following the steps above, or click “Checkout” to complete your registration

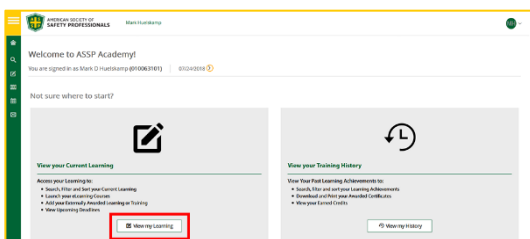

Confirm your address and order details, using the “Next” button to move through the order process

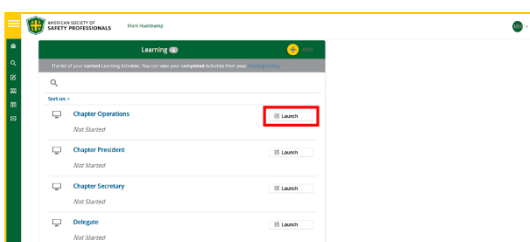

Click “Complete Order”

Go to the My Learning using the link at the top of your order confirmation or by hovering over the Education tab on the ASSP website

Click “View my Learning” to view all ASSP trainings you have registered for

Select the training you would like to take and complete the module by watching the video, downloading the handout (optional) and taking the assessment
