 - Emphasis is on the perspective of this issue from the OSH Professional
 - This is not a medical research and/or intervention discussion
- Questions and Answers
- Final Comments
- Conclusion

Deborah R. Roy, M.P.H., RN, COHN-S, CSP, CIT, FASSP, FAAOHN *President-Elect, ASSP and President of SafeTech Consultants Inc.*

Deborah R. Roy, M.P.H., RN, COHN-S, CSP, CIT, FASSP, FAAOHN, is president of SafeTech Consultants Inc., providing safety consulting for global clients. Roy has more than 35 years of occupational safety and health experience and is past corporate director of health, safety and wellness at L.L.Bean. She has been involved in pandemic planning at worksites and at the state and federal levels for the last 12 years. Roy wrote “Preparing For a Pandemic: Lessons From H1N1” that was published in ASSP’s Professional Safety journal in 2011. ASSP interviewed Roy about the COVID-19 outbreak and posted an online article titled “The Safety Professionals Role in Planning for a Pandemic” on March 2, 2020.

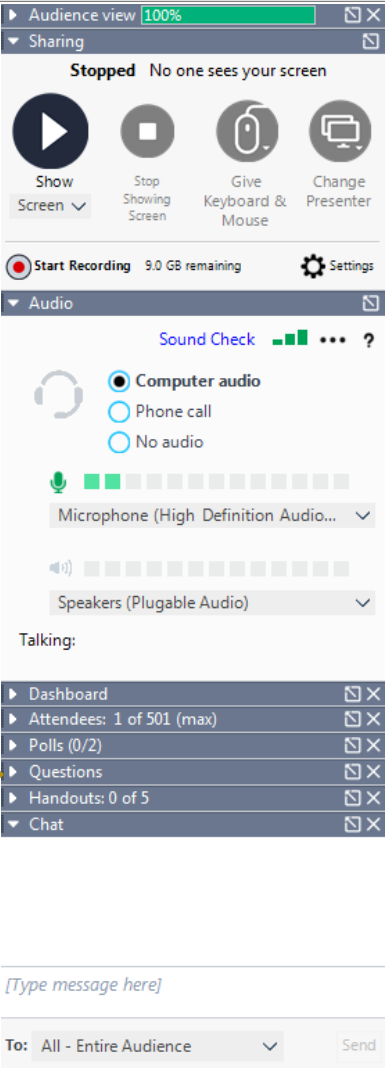

Deborah R. Roy, M.P.H., RN, COHN-S, CSP, CIT, FASSP, FAAOHN
President-Elect, ASSP and President of SafeTech Consultants Inc.

Brief overview of the global
COVID 19 pandemic and
response

Question & Answer Session

- Please type all your questions into the “Questions” box located in the control panel.
- We will do our best to answer all questions within the limited amount of time.
- We have already had a number of questions submitted and will start with the initial questions.
- This event is being recorded and will be available on the ASSP website.
- Following the webinar our intent is to answer as many questions as possible and post responses on the ASSP website:

The screenshot displays the Zoom control panel. At the top, it shows 'Audience view' at 100% and a 'Sharing' section with a 'Stopped' status and the message 'No one sees your screen'. Below this are icons for 'Show Screen', 'Stop Showing Screen', 'Give Keyboard & Mouse', and 'Change Presenter'. A 'Start Recording' button is visible with '9.0 GB remaining' and a 'Settings' gear icon. The 'Audio' section is expanded, showing 'Sound Check' with a signal strength indicator and a help icon. Under 'Audio', 'Computer audio' is selected, with options for 'Phone call' and 'No audio'. A microphone icon and a volume slider are also present. Below the audio settings, a 'Talking:' section lists navigation options: 'Dashboard', 'Attendees: 1 of 501 (max)', 'Polls (0/2)', 'Questions', 'Handouts: 0 of 5', and 'Chat'. A large yellow arrow points to the 'Questions' option. At the bottom, there is a text input field with the placeholder '[Type message here]' and a 'To: All - Entire Audience' dropdown menu with a 'Send' button.

Session Recording

The screenshot shows the homepage of the American Society of Safety Professionals (ASSP). At the top left is the ASSP logo and the text "AMERICAN SOCIETY OF SAFETY PROFESSIONALS". A red arrow points to the "Coronavirus" link in the top navigation menu, which is highlighted with a red box. Other navigation links include "About", "Contact", "Shop", "Donate", "ASSP Community", and "Renew". Below these are buttons for "Become A Member", "Create Account", "View Cart", and "Login". A secondary navigation bar includes "MEMBERSHIP", "EDUCATION", "STANDARDS", "PUBLICATIONS" (highlighted in green), "ADVOCACY", "NEWS", "RESOURCES", "STUDENTS", and a "SEARCH" button. The main content area features a "Publications" section with a photo of a woman reading and text describing the value of ASSP publications. Below this are links for "ASSP Research", "Online Bookstore", "Become an Author", "Professional Safety Journal", and "Journal of Safety, Health and Environmental Research Archive". A large banner image of a smiling man in a yellow hard hat and safety glasses is overlaid with a white box containing the text: "Engage with people who are passionate about safety and access great resources that will help you perform at the highest levels. Connect to ASSP's member network." At the bottom, a navigation bar contains four categories: "SUPPORTING OUR MEMBERS", "PROVIDING CONTINUING EDUCATION", "DEFINING INDUSTRY STANDARDS", and "ADVANCING THE SAFETY PROFESSION".
