EDUCATION SERVICES

ASSP Certificate Programs

Take a series of courses related to a key area and gain the expertise you need to advance your career.

We offer four certificate programs:

Risk Management
Safety Management
Leadership in Safety Management
Global Safety Management

Learn More

Group Pricing Available

Save 10% for groups of 5-9 and up to 20% for groups of 10 or more for any currently scheduled safety education courses or conference we host throughout the year.

Attending as a group is a great way to reinforce best practices, build teamwork and refocus the team.

Self-Paced Courses Online

Our self-paced online courses are catered to anyone who thrives learning independently and has access to a computer with audio and internet access.

Enroll in these courses at any time and receive immediate access to all course materials for up 6 months and up to 1 year for Certification Preparation. Plus, assess your progress through instant feedback on quizzes and other interactive learning activities all at your own pace.

View Self-Paced Courses

Train Your Team

Save time and money by training 10 or more safety professionals at either your location or a private, virtual classroom.

Tell us what you need, and we will create a safety training program that gets results. After an initial consultation we will provide a tailored training program proposal.

On-Demand Annual Pass

From quick one-hour sessions to more intensive courses, there is a plan that works for everyone. Get immediate access to a growing safety education library with new courses added throughout the year.

Make planning your professional development simple and worry-free with an always-on, always-available ondemand Annual Pass. Earn continuing education units (CEUs) and stay ahead of today's safety challenges.
