

Working together for a safer, stronger future

Advance Your Career

Expand Your Network

Grow Your Knowledge

Emerging Professionals Common Interest Group

Emerging Professionals in Occupational Safety and Health invests in the future of the profession by connecting and developing entry-level to mid-career leaders. By joining our common interest group, you'll have opportunities to gain leadership skills, expand your network and grow your technical knowledge to become a better safety professional.

American Society of Safety Professionals

For more than 100 years, ASSP has been at the forefront of helping occupational safety and health professionals protect people and property. Our global membership of over 35,000 professionals covers every industry, developing safety and health management plans that prevent deaths, injuries and illnesses. We advance our members and the safety profession through education, advocacy, standards development and a professional community.

Member Benefits:

Global Connections

Gain access to 4,000+ EP members across the globe

Speaking Opportunities

Moderate a session or present an EP sponsored topic at PDC

Volunteer Committees

Collaborate in committees like Student Outreach or Professional Development
