Article Working Title:

Author(s):

The undersigned hereby grant(s) and assign(s) exclusively to ASSP all rights of whatsoever kind or nature now or hereafter protected by the copyright laws of the United States (common or statutory, federal, state or local laws or regulation) and all foreign countries in all languages in and to the above-named article, including all subsidiary rights, rights to reprint, reuse or excerpt in any manner, subject to the nonexclusive rights reserved by author(s) to paragraph 2 hereof. Without limiting the generality of the foregoing, author(s) hereby further grant(s) and assign(s) to ASSP the sole and exclusive right to obtain registration of the copyright of the article.

The author(s) reserve(s) the following:

- 1) The nonexclusive right to use all or part of the article in his (her, their) own future works, such as lectures, press releases, reviews, textbooks or reprint books, after the article's first publication in *PS*.
- 2) The nonexclusive right to reproduce the work in copies and to grant or refuse permission for such reproduction by third parties, subject only to his (her, their) causing to be inserted on the first page of each such copy a proper copyright notice, consisting of a) the word "Copyright," the abbreviation "Copr.," or the copyright symbol (the letter C in a circle), b) the year of the first publication of the work and c) identification of ASSP as the owner of copyright in the work.
- 3) The nonexclusive right to permit third parties to republish all or part of the article, after the article's first publication in *PS*, subject only to such third parties giving proper credit to the original publication of the article in *PS* in writing in the republication. The undersigned hereby warrant(s) that the above-named article contains no matter libelous or otherwise unlawful or which invades individual privacy or which infringes any proprietary rights. The undersigned further warrants that he (she, they) have received written permission to use any photographs, graphics, pictures, names or confidential copyrighted or other proprietary information and has provided copies of that permission to ASSP. The undersigned hereby further warrants(s) that the above-named article is an original work, of which he (she, they) is (are) the sole author(s) and in which he (she, they) is (are) the sole owner of copyright, and that he (she, they) has (have) full power to make this assignment. **The undersigned hereby further warrant(s) that the above-named article is not under consideration by another journal and has not been previously published.**
