

AMERICAN SOCIETY OF  
SAFETY PROFESSIONALS

**How do you make  
safety knowledge  
instantly accessible?**

**You do it by merging industry best practices with technology and real-time access to data.**

AMERICAN SOCIETY OF  
SAFETY PROFESSIONALS

03

**By collaborating with partners across the safety supply chain and ecosystem, we can drive change across the industry.**

**The time is now for courageous leadership and bold action to drive down serious incidents and fatalities.**

Stay tuned for your exclusive invitation to join us.
