

FOR IMMEDIATE RELEASE

Veriforce Showcases Industry Expertise and Innovation at ASSP Safety 2025

Company to Lead High-Impact Speaker Sessions and Host Risk Matrix Live

Orlando, FL – July 11, 2025 – Veriforce, a global leader in contractor risk management and workforce qualification, will highlight its deep industry expertise at ASSP Safety 2025 Conference & Expo, held July 22–24 in Orlando, Florida. As a Premier Sponsor, Veriforce will lead multiple conference sessions and offer a range of interactive experiences at booth #1201.

The company's participation centers on empowering safety, operations, and procurement professionals to more effectively manage third-party risk and drive scalable compliance. Attendees will gain insights from real-world experience shared by Veriforce executives and members of its Strategic Advisory Board.

Featured Veriforce Speaker Sessions at ASSP Safety 2025 include:

Tuesday, July 22 | 12:45 PM – 1:00 PM

Are Your Workers Who They Say They Are?

Presented by: Josh Ortega, VP of Global Health, Safety & Sustainability, Veriforce
Flash Session | Expo Floor – Booth #571

Thursday, July 24 | 1:15 PM – 2:15 PM

Rumble in the Jungle: Safety vs Procurement – Who Wins?

Presented by: James Junkin, CEO, Mariner-Gulf Consulting Services, Chair of Veriforce Strategic Advisory Board

Thursday, July 24 | 1:15 PM – 2:15 PM

AI & Computer Vision: Revolutionizing Safety Monitoring & Incident Reporting in Oil & Gas

Presented by: Stephen Ojji, Principal Consultant & Researcher, Nocopycats LLC, Veriforce Strategic Advisory Board Member

Thursday, July 24 | 1:15 PM – 2:15 PM

Psychosocial Hazards Your Organization May Not Survive

Presented by: Dr. I David Daniels, Founder/CEO, ID2 Solutions LLC, Veriforce Strategic Advisory Board Member

In addition to its featured speaker sessions, Members of the Veriforce Strategic Advisory Board will be available at the Veriforce booth for one-on-one conversations and book signings, providing attendees with direct access to some of the industry's leading voices.

“ASSP is where safety leaders come to share challenges and define solutions,” said Carlos Ramon, President, US & Global at Veriforce. “We’re proud to help lead the conversation through our sessions, our experts, and our ongoing commitment to driving safety and risk maturity across the industries we serve.”
