Community
Reach the highest level of performance by connecting with great resources and great people.
Our Community

ASSP is where occupational safety and health professionals find a vibrant community:

- Over 37,000 members
- 150 chapters across nine U.S. and global regions
- All industries and diverse voices across age, gender, and ethnicity
- 22 Common Interest Groups and Industry Specific Practice Specialties
- 65% of CSPs are members
Networking & Career Resources

Community and Networking Opportunities

• Meet local OSH professionals through monthly chapter meeting’s
• Practice Specialties offer the unique opportunity to network among OSH professionals in your industry
• Common Interest Groups represent different age groups, ethnic backgrounds and genders to support diversity in the OSH profession

Career support

• The ASSP job board is an online safety career center where employers can post job openings and members can search for jobs.
