Working together for a safer, stronger future.
For more than 100 years, ASSP has been at the forefront of helping occupational safety and health professionals protect people and property.

ESSENTIAL OSH RESOURCES
Discover solutions, best practices, research and regulatory changes through member’s only resources, such as the #1 rated Professional Safety Journal—each peer-reviewed issue delivers the latest technical knowledge on OSH and safety management, developed through research and on-the-job experience.

NETWORKING OPPORTUNITIES
Our member communities connect you with a diverse group of OSH professionals and enable you to engage with each other on a global scale. Network among safety professionals in similar industries or with similar backgrounds and interests with our virtual specialty groups. Our 140+ chapters across nine U.S. and global regions offer you the opportunity to engage with safety professionals near you.

TOP QUALITY EDUCATION
We take pride in our long-standing reputation of delivering top-quality OSH education and training. Participate in webinars, online courses and microlearning, as well as in-person conferences, certificate programs and certification preparation courses. As an ASSP member, you receive significantly discounted fees and some events are free.

Join our vibrant community – one that will help you grow professionally through education, networking and advocacy. We connect you to great resources and more than 35,000 great people who will help you reach the highest level of performance in your career.
