Working together for a safer, stronger future

The American Society of Safety Professionals is a global association for occupational safety and health professionals. We promote the expertise, leadership and commitment of our members while providing you with professional development, advocacy and standards development.

assp.org/membership | customerservice@assp.org
For more than 100 years, ASSP has been at the forefront of helping occupational safety and health professionals protect people and property.

**ESSENTIAL OSH RESOURCES**
Discover solutions, best practices, research and regulatory changes through member’s only resources, such as the #1 rated *Professional Safety Journal*—each peer-reviewed issue delivers the latest technical knowledge on OSH and safety management, developed through research and on-the-job experience.

**NETWORKING OPPORTUNITIES**
Our member communities connect you with a diverse group of OSH professionals and enable you to engage with each other on a global scale. Our 150+ chapters across nine U.S. and global regions offer you the opportunity to engage with safety professionals near you. Network among safety professionals in similar industries or with similar backgrounds and interests with our specialty groups.

**TOP QUALITY EDUCATION**
We take pride in our long-standing reputation of delivering top-quality OSH education and training. Participate in webinars, online courses and microlearning, as well as in-person conferences, certificate programs and certification preparation courses. As an ASSP member, you receive significantly discounted fees and some events are free.

Join our vibrant community – one that will help you grow professionally through education, networking and advocacy. We connect you to great resources and more than 37,000 great people who will help you reach the highest level of performance in your career.
